FGIIT · FITNESS WITH GOMZI INTERNATIONAL INSTITUTE OF TEACHING

Job-Ready Batch

Six-Month Diploma Online Courses · Live Online Classes

Course catalogue, durations, fees and full syllabus

Everything you need to start your fitness career

Just ₹2,999

The fee gives you access to one eligible course: live online classes, recorded video lessons, e-books and study materials, a structured learning journey, and access to the FGIIT Academy app.

Accreditation and certification are separate from the course fee. Eligible students who wish to obtain accreditation or certification must apply separately through INPTA, subject to its applicable eligibility requirements, approval process and fees.

YOUR SELECTED COURSE

Nutri-Trainer Combo — ₹4,999

6–8 months · Live online classes + recorded lessons · Free e-book. All courses except the Steroids Masterclass, in one bundle.

WHAT THE FEE INCLUDES

- **Live Online Classes**
  Interactive sessions with expert faculty, held live so you can ask questions in the class.
- **Recorded Video Lessons**
  Revisit every session as many times as you need through the FGIIT Academy application.
- **E-Books & Study Materials**
  Digital notes, articles and a free e-book (PDF) with every course for revision and reference.
- **Access to One Eligible Course**
  The fee covers one eligible course of your choice — not every course in the catalogue.
- **Structured Learning Journey**
  A clear, ordered curriculum for the course you pick, so you always know what comes next.
